

Coalfire ISO, Inc. , a Certification Body, certifies that the following organization, SoftLayer Technologies Inc. is in compliance with the requirements of ISO/IEC 27017:2015-Code of practice for information security controls based on ISO/IEC 27002 for cloud services.

Certificate Holder: SoftLayer Technologies Inc.
14001 North Dallas Parkway, Suite M100, Dallas, TX 75240

The scope of this certification is defined by the boundaries and scope of the Information Security Management System (ISMS) certified in conformance with ISO/IEC 27001:2013. The ISMS complies with the commonly controlled objectives and controls of ISO/IEC 27017:2015.

This certificate is applicable for the assets, services and locations as described in the SoftLayer ISMS Manual with regard to the scope defined in this certificate and specific requirements for information security controls based on ISO/IEC 27002 for cloud services.
